

Friday 20<sup>th</sup> May 2022

Dear Parents and Carers,

**Re: The Queens Platinum Jubilee**

We are all getting excited about the up-and-coming Queens Platinum Jubilee. As the event takes place during the half-term we will be celebrating this historic event on Friday 27<sup>th</sup> May and the children will be invited to wear red, white or blue to mark the occasion. Each class will have their own party with the school providing squash, cakes and biscuits for the children to decorate.

We will also welcome contributions of traditional English cakes on the day such as Victoria sponges, Battenberg cakes, scones and carrot cakes. If you can contribute a cake for your child's class to add to the tea party feel. Cakes can be shop bought or homemade (please note homemade cakes need to come in with a list of ingredients). This is by no means expected but we know some parents love to share their baking expertise.

This event will give us all of the children a chance to celebrate this special occasion together in the style of a street party which some children may not have experienced before.

Many thanks for your support, we are determined to make this a really special occasion. Please indicate below if you would like to donate a cake to your child's class Jubilee celebrations.

With best wishes
