Dear Parents/Carers,

RE: School Clubs

We are pleased to offer the following after school clubs during the Autumn term (Monday 12th Sept – Friday 01st December 2022).

Following valuable parental feedback to expand our extra-curricular activities, we have organised for outside specialists to come into school and offer some new and exciting clubs for the children to join. We are pleased to be in a position where we are still able to subsidise the costs for these clubs for the Autumn term and we will continue to review this on a termly basis.

All after school clubs will be open for live bookings on **Wednesday 07th September at 4.00pm**. We urge you to check you know your Arbor login details before this.

Extra-curricular activities have been proven to help with a child's confidence, personal skills, making new friends and academic achievement. It is therefore vitally important that we encourage our children to attend these clubs.

Behaviour Expectations:

When children are attending after school clubs at Woodhill, we expect them to demonstrate a high standard of behaviour including our values of **kindness, respect and responsibility** just as we would during school time. Our school behaviour policy will be shared with all outside agencies that provide these sessions and the same steps applied where appropriate to encourage children to make positive behaviour choices and get the most out of their session. If we feel that a child's behaviour is persistently impacting on the learning and enjoyment of other children in the group, parents will be informed and there is the possibility that your **child could lose their place in the club either temporarily or permanently**.

If you need any assistance, please contact the office as soon as possible on telephone 020 8854 5055 or by email info@woodhill.greenwich.sch.uk

With best wishes

Mr O Phillips
