

Wednesday 28th September 2022

Dear Parents/Carers,

RE: Census Day and School Dinner Thursday 6th October 2022

As part of our termly census on **Thursday 6th October 2022** our chef Mary, along with Chartwells, has created a special menu as you will see overleaf. We will be having lots of space themed fun including activities and decorations within the lunch hall to match the menu.

All children that usually take a school dinner in Key Stage 2 - years 3, 4, 5 & 6 will automatically receive the menu as usual, however if your child usually has a packed lunch sent in from home and would like to try this special themed menu, please let the office know on email info@inspirewoodhill.co.uk

The price for a school meal is **£2.10** per day, payable on your Arbor app. Woodhill School has its own kitchen and meals are prepared daily by our wonderful chef Mary. There is a choice of meat or vegetarian main dish, salad and dessert with water available throughout meal times. If you would like your child to have school lunch every day please let the office know and we can change your child's meal preference.

If your circumstances have changed and you feel you may be eligible for Free School Meals, please also email the school office who will check on your behalf. You can find more information [here](#).

With best wishes
