Dear Parents/Carers

RE: Census Day and School Dinner Thursday 6th October 2022

As you may already know, the funding our school receives is based upon census returns that we have to complete each term. The amount of funding is dependent upon the figures that we submit, with particular emphasis on the uptake of school dinners.

In order to help us to do the best for your children we are asking for your support. This term's census is on **Thursday 6th October 2022** and it is really important that as many children as possible in Reception, Year 1 and Year 2 have the free school lunch that they are entitled to.

Even if your child does not plan on having a school lunch again, it really helps if everybody has a school meal on this date. If your child is unsure about school meals, of course you can still send in a 'back up option' packed lunch as usual, to ensure that no child goes hungry.

To encourage all children to have a hot meal on census day, our chef Mary, along with Chartwells, has created a special menu as you will see overleaf. We will be having lots of space themed fun including activities and decorations within the lunch hall to match the menu.

If you would like to discuss this further please do let the school office know.

Thank you for supporting us in obtaining the best possible funding for your children's education.

With best wishes
