

Dear Parent /Carer

As you are aware there is an outbreak of the polio virus in our sewage system, which can cause paralysis. This is a public health concern.

Oxleas NHS Foundation Trust are carrying out clinics in the community for Polio boosters for any child who lives in the Greenwich area.

The age group we will be vaccinating will be for children between **6-9 years** of age.

Any children with incomplete childhood immunisations will need to attend their GP surgery.

**The clinics being held are. Times 10 - 2:30pm**

**Saturday 15<sup>th</sup> October Waverley**, Crescent scout hall 19 Waverley Crescent, Plumstead, SE18 7QT.

**Saturday 22<sup>nd</sup> October**, Wensley Close, Court Road, Eltham, London, SE9 5AB,

**Friday 28<sup>th</sup> October**, Gallions Reach Health centre, Bentham Road, SE28 8BE

***Please could you contact this number 0208 320 5750 to confirm a date and to check immunisation status.***

***This is a booking system only. We will not see any child that does not have an appointment.***
