

Thursday 01st December 2022

Dear Parents/carers, and supporting local community,

This year, Woodhill Primary School is planning their 1st ever Christmas Fair on Friday 9th December to the children and local families to attend on the school grounds.

This is a wonderful opportunity for building community spirit, rekindling old and making new friendships and memories.

To assist in making this an exciting event we are asking if all parents/carers can help us in this. We would be very grateful for any donations you may consider to give to this event. If you are interested in donating to this event, please let the office know and bring all donations to our school office before Wednesday 7th December. Any local companies offering significant donations will be included on the programme and advertising of the event with the local community.

small gifts for Santa's Grotto	Food - hot dogs, buns, soup, fries	Sweets
