

Monday 12<sup>th</sup> December 2022

Dear Parents/carers,

**Re: School closure- 13.12.22**

After weighing everything up, due to concerns about the impact of sub-zero temperatures (**-1 throughout the night**) of the neighbouring roads and streets on and around Woodhill and the potential risk of injury to children, staff and parents, **we will be closing the school tomorrow- Tuesday 13<sup>th</sup> December 2022.**

Teachers will upload a google meet link to your child's google classroom and will be **online from 9:15am** to greet the children and set the tasks for the day.

**At 11:30**, they will then log back in to the google meet to review the learning and talk through the next session

**At 1:30pm**, please log on to google meet to discuss and review the second morning session and discuss the afternoon's task.

We will keep reviewing the forecast and the conditions around the school and update you regarding Wednesday tomorrow afternoon/evening.

We will inform Nursery parents of a rescheduling of their performances too.

If you have any questions, please speak to myself, Miss Murphy or Miss Mapp on the gate this evening.

Thanks in advance for your understanding with this,

With best wishes

Mr O Phillips  
Headteacher
