Dear Parents/Carers

RE: Census Day and School Dinner Thursday 19th January 2023

As you may already know, the funding our school receives is based upon census returns that we have to complete each term. The amount of funding is dependent upon the figures that we submit, with particular emphasis on the uptake of school dinners.

In order to help us to do the best for your children we are asking for your support. This term's census is on Thursday 19th January 2023 and it is really important that as many children as possible in Reception, Year 1 and Year 2 have the free school lunch that they are entitled to.

To encourage all children to have a hot meal on census day, our chef Mary, along with Chartwells, has created a special menu as you will see overleaf.

All children that usually have a school dinner will automatically receive the menu as usual.

If your child usually has a packed lunch sent in from home and would like to try this special themed menu, please complete the form below and hand to the office by **Thursday 12th January 2023**. The meal will cost the usual price of £2.15 per child per day and is payable under School Dinner payment option in your Arbor account. **if you require assistance setting up your Arbor account, please contact the school office.*

If your circumstances have changed and you feel you may be eligible for Free School Meals, please speak to the school office who will check on your behalf. You can find more information [here](#).

Thank you for supporting us in obtaining the best possible funding for your children's education.

With best wishes

Mr O Phillips
Headteacher

Please complete and return the slip to the office no later than Thursday 19th January 2023
