**Re: School Choir 'Young Voices 2023'**

Dear Parents/Carers,

This is very exciting news: I would like to advise all parents and carers that as a school, we have acquired tickets for the Young Voices event at the O2 arena on **Friday 20th January**.

As the tickets are 25 pounds each, we would like to subsidise our families and we will be offering tickets for £10 pounds for each family. There are only enough tickets for one member of each family to attend the concert.

Please can you pay your £10 in cash to the School Office. Once we have received your £10 your ticket will be available on the O2 venue app, which you need to download onto your mobiles and this will gain you entry into the venue itself.

Please let the office know if you would like a ticket by Wednesday morning at the latest.

Many Thanks

Yours sincerely
