Dear Parents and Carers,

RE: Teacher Industrial Action- Wednesday 1st February

Thank you for your patience in awaiting an update following our previous communication about the planned industrial action for teachers announced to take place in London and the South East on 1st February 2023, 2nd March 2023 and 15th-16th March 2023.

This letter is to inform you about arrangements for the first strike day only, which is next Wednesday 1st February.

It is important to acknowledge that the planned industrial action is not aimed at parents or school leaders but rather, central government decision making. Our teachers work incredibly hard for the children and families of our school community and this is not an action that they have taken lightly.

We can now confirm that due to strike action and lack of staffing which classes **will be closed** on Wednesday 1st February. Your child's attendance will not be affected by the strike day as they will be coded as a Y (unable to attend due to exceptional circumstances.)

We acknowledge that there will be some frustrations around the impact of the strikes and thank you for your continued support and understanding. If you have any questions or would like to discuss anything further, please do not hesitate to contact us.

This information is correct at the time of writing and if there are any changes to open/closed classes we will let you know as soon as possible.

I will write to you in due course to advise you of potential closures on the remaining strike dates, the next of which is scheduled for **Thursday 2nd March**.

With kind regards and thanks as always for your continued support,
