All our parents and carers are invited to attend our regular learning mornings which give an opportunity to meet and chat to other parents, have a coffee and to learn about a range of ways to support your child's development. Presentations and workshops include ways to help and support your child with their learning.

Additionally, we are working with local college providers to put together a range of parental courses and hope to get this information to you as soon as possible. They will provide parenting advice and support on a wide range of matters as well as the

opportunity for parents to develop their skills and talents in a friendly and relaxed environment.

Make sure you put the dates in the diary and we hope to see you all there!

Yours sincerely,

Miss Mapp
