Dear Parents/Carers,

RE: After School Clubs – FREE OF CHARGE

We are pleased to offer the following after school clubs during the Summer term (Week beginning Monday 25th April – Friday 11th July 2022).

Extra-curricular activities have been proven to help with a child's confidence, personal skills, making new friends and academic achievement. With this in mind and following Parent feedback, we have made the Summer Term clubs **free** of charge for all of our families.

We would like to offer every child an opportunity to join a club and therefore request you list your child's top 3 preferences using the form below to be handed into the school office no later than **Friday 1st April 2022**. Confirmation of your child's club will be given on return to school (week beginning Monday 18th April).

Due to the high demand, we ask that you speak with your child and ensure that you only request clubs of which your child has a strong interest in. Unfortunately, once club spaces have been allocated there will be no option to change.

Behaviour Expectations:

When children are attending after school clubs at Woodhill, we expect them to demonstrate a high standard of behaviour just as we would during school time. Our school behaviour policy will be shared with all outside agencies that provide these sessions and the same steps applied where appropriate to encourage children to make positive behaviour choices and get the most out of their session. If we feel that a child's behaviour is persistently impacting on the learning and enjoyment of other children in the group, parents will be informed and there is the possibility that the child could lose their place in the club.

If you need any assistance, please contact the office as soon as possible on telephone 020 8854 5055 or by email info@woodhill.greenwich.sch.uk

With best wishes
