Dear Parents/Carers,

We were informed this morning of reports of a serious incident near a primary school in Eltham.

It has been reported that an attempt was made to abduct a child by passengers in a silver transit van. They attempted to abduct the child into the back of the van but fortunately, the parent was able to intervene.

Police have been informed of this incident and are working with the school and the family.

Following the incident, we would encourage you to talk to your children about strangers and keeping safe when travelling. Please see the following link for advice on staying safe when travelling to and from school.
