

Friday 20th October 2023

Dear Parents/Carers,

Year 6 – Science Museum

On 5th December 2023, children in Year 6 will be visiting The Natural History Museum to explore the exhibits and participate in a workshop about Evolution and Inheritance linked to our Science unit for the half term. This has changed from the original Science Museum trip as the Natural History Museum had a more relevant workshop.

We will be travelling by train, leaving school at 9.15am and returning slightly later at 3:30pm due to the workshop timings. There is no cost for this trip as payment was attached to the last outing.

Children will be required to wear their school uniform. Please make sure your child is wearing a suitable coat and sensible shoes/trainers for this trip and has brought a packed lunch. If you require a school lunch please let the school office know by Tuesday 14th November 2023 at the latest.

There is nothing on Arbor as permission and payment as this was given for the previous trip. If you have any questions, please contact the school office.

Thank you very much

Best wishes,

The Year Six Team
