Dear Parents / Carers,

Re: CENTURY Tech

At Woodhill Primary, we are committed to ensuring our pupils achieve the best they possibly can and we are always looking for ways to extend our students' learning. That's why, as part of our school improvement programme, we are now using CENTURY – a ground-breaking online learning platform.

What is CENTURY?

CENTURY is an online learning tool for students. It combines artificial intelligence with the latest research in learning science and neuroscience. The platform identifies every student's strengths, gaps in knowledge and misconceptions.

Students can log in and complete work that has been suggested for them by the **<u>advanced recommendation</u> <u>engine</u>**, or work which has been <u>set by teachers</u>. It allows students to take control of their own learning and for teachers to get real-time data on progress, allowing them to quickly identify which students need support or additional challenge.

Just head to <u>app.century.tech</u> and then click 'Sign in with Google' you should be logged straight in.

What does this mean for my child's learning?

CENTURY will complement existing teaching methods. Teachers have the freedom to decide how they incorporate CENTURY into classroom and home learning. The school will ensure that all students will have access to appropriate facilities to complete work on CENTURY.

Accessing CENTURY

Students are able to access CENTURY at any time and anywhere. It is available to them in school and also at home. All they need to do is visit the CENTURY website and enter their unique login details.

Their login details are the same as their school google login details. The platform can be accessed from tablets and laptops on up-to-date versions of most common browsers. The best browsers are Chrome on PCs and Android devices and Safari on iPads.

It is not currently optimised for use on mobile phones.

Parents

One of the many benefits of CENTURY is that parents and guardians are able to see how their child has performed. CENTURY is a fantastic platform for children to complete homework that is tailored to their level and enables parents to track their child's progress when completing their homework and any work in school linked to CENTURY.

If you have any questions about CENTURY, please feel free to get in touch with your child's teacher or you can also contact me. Alternatively, you can visit CENTURY's website www.century.tech or email CENTURY at support@century.tech.

Yours sincerely,

Mr Phillips
