

Friday 15th March 2024

Dear Parents/Carers,

### Year 1 – Time Court Residential home visit

On **Tuesday 19th March**, children in **Year 1** will be visiting **Time Court Residential Home** to ask questions about life in the past to the residents there. This links to our History topic (Toys and Leisure activities from the past) and our English theme (Social Justice and Equity).

We will be **walking**, leaving school at **1:45pm** and returning by **3:15pm**.

Children will be required to wear their school uniform. Please make sure your child is wearing a suitable coat and sensible shoes/trainers for this trip.

Due to Time Court's close proximity to school and the limited space inside, we do not require any parent helpers on this occasion.

As this is a local trip, if you have given consent for your child to attend local trips, we will not need further consent for this.

Thank you very much and best wishes,

The Year One Team
