This meeting will give you a chance to celebrate the progress your child has made so far this year. We will be able to share an update on your child's attitude to learning and discuss how we can work together to support your child to make the best possible progress. A strong home-school relationship enables children to succeed, therefore it is vital that you attend one of these evenings. If you are unable to attend for any reason please do speak directly to your child's class teacher who will endeavour to arrange an alternative appointment.

Your meeting will be with your child's class teacher in person, unless otherwise arranged. Appointments will be ten minutes long. In order to ensure teachers are able to keep to time, please arrive five minutes before your appointment.

Appointments will be available to book through Arbor from 4pm today until Monday 18th March at 6pm. It is very simple to make the appointments on Arbor. Please click on the link below for step by step guidance on booking an appointment: [Booking Guardian Consultations \(Parents Evenings\) on the Parent Portal or Arbor App](#)

99% of our parent community have an Arbor account. If you are in the 1% and do not have an Arbor account or need help to set it up, please do not hesitate to contact the school office.

If you would like any more information, please email the school office on info@inspirewoodhill.co.uk

With best wishes,

Yours faithfully,
