Dear Parents/Carers

Re: Author Visit

On Wednesday 22nd May, our Y6 children will be visiting Foxfield School to meet the author, Lucy Strange, author of 'The Island at the edge of the night'. Her books capture elements of classic children's literature in a style that is engaging and accessible for today's younger readers. Often inspired by folklore, fairy tales and the Gothic genre, Lucy combines British landscapes and historical settings with touches of the supernatural, creating utterly convincing worlds in which anything might happen...

The children will travel to Foxfield School by foot during the morning and will have a 1-hour inspirational session followed by a Q&A session before returning to school in time for lunch.

All of the children will then have the opportunity to ask the author their own questions directly.

Yours faithfully,

The Y6 team
