

Wednesday 18th December 2024

Dear Parent/Carer,

Re: Young Voices 2025

We are delighted to inform you that your child has expressed an interest in attending Young Voices 2025 as part of the Woodhill School Choir. This exciting event will take place on **Tuesday, 21st January 2025, at the O2 Arena.**

Here are the key details:

- **Departure:** We will leave school at approximately **11:30 am** and travel to the O2 by bus.
- **Schedule:** Upon arrival, we will have lunch and spend the afternoon rehearsing with other schools. In the evening, the children will perform together in a spectacular final performance.
- **Pick-up:** You will need to collect your child directly from the O2 Arena **at 10:00 pm.** Collection will be from school staff outside the arena. We will provide the exact meeting location closer to the event and will carry parent mobile numbers to ensure smooth coordination.

To make the event extra special, we would like all children to wear the official Young Voices t-shirt during the performance. This also serves as a wonderful souvenir of their amazing experience. To support families, we are subsidising half the cost of the t-shirt. We kindly ask parents to contribute **£8.99**, which includes the t-shirt and a souvenir torch that the children can use to light up the arena on the night.

Parent Tickets:

It would be fantastic to see parents in the audience supporting the children. Tickets for the event can be purchased directly from the O2's official website closer to the date, starting from **£35.**

Rehearsal Resources:

To help the children prepare, you can access songs and dances online via the Young Voices platform. We encourage children to rehearse at home as there will be limited practice time at school. You can register using the link below:

[Young Voices Music Room Registration](#)

Thank you for supporting this memorable experience for our young performers.

Yours sincerely,

Mrs. S Lloyd
Interim Headteacher
