Dear Parents and Carers,

Re: Mobile Phones

We are writing to inform you about an important matter regarding the use of mobile phones on school grounds. It has come to our attention that some children have been using their phones during school hours. This behaviour goes against the school's policy, and we are addressing it promptly.

Today, school leaders met with the students who had their phones with them and ensured that any images taken during school hours were deleted, including those in their 'deleted photos' folder.

We kindly ask for your support in helping us maintain a positive school environment. Please take a moment to check your child's phone at home and ensure that any remaining photos—particularly those sent through WhatsApp groups—are also deleted.

In addition, we will be reinforcing the importance of turning off phones at the school gate during future discussions with the children. To further support this, we are in the process of ordering phone collection boxes for the playground, which will help us to prevent this issue from arising in the future.

We appreciate your understanding and cooperation in maintaining a focused and safe environment for all our students. If you have any questions, please feel free to contact us.

Yours sincerely,

Mrs. S Lloyd
Interim Headteacher
