Dear Parents/Carers,

Re: Beech Tree update

Following on from last week's letter, I wanted to update you that Miss Wright will remain away from school until the end of the week as she spends time with her family during this difficult period of bereavement. Our thoughts are with her and her loved ones.

In the meantime, Mr. Lee will continue to support the class, ensuring a smooth and stable learning environment for the children.

If you have any questions or concerns, please do not hesitate to reach out to the school office to arrange a conversation with a member of the leadership team. Thank you for your kindness, understanding, and continued support—it truly makes a difference.

Yours sincerely,

Mrs S Lloyd
Interim Headteacher
